

OCTOBER 11-12, 2019

AT TOYOTA STADIUM

& Music Fest

Hello!

We would like to share with you Camp Craig Allen's mission, programs and goals in hopes that you will share with us your heart, time, talent and/or treasure. Camp Craig Allen is a local grassroots organization dedicated to building a year-round, barrier-free facility in Frisco, Texas. The HOPE Center will provide life-empowering skills and education through therapeutic and recreational programs, life skills and job training, job placement, and more, to individuals living with a disability, all in a completely accessible environment. When completed, the HOPE Center will accommodate all children and adults with progressive, debilitating diseases and injuries. Camp Craig Allen will be constructed with the latest technology and medical equipment for physical impairments or limitations, providing opportunities to gain independence and empowerment to lead a higher quality of life.

Mark your calendars! The 12th Annual Camp Craig Allen BBQ Cook-Off & Music Fest is October 11-12, 2019, in Toyota Stadium's south blue Lot. We are excited to be partnering with some of the biggest hearts in our community, to provide the public with education, advocacy and FUN. Our goal for this event is to raise money for year-round programs and raise awareness for individuals and families affected by disabilities. 100% of proceeds go toward supporting Camp Craig Allen's mission to serve people with physical disabilities in our community. We can only do that with YOUR help! Serving others is the greatest part of life. Please help us help others.
